Registration Screen

A registration screen mockup with a light gray background. At the top right, there is a red diagonal banner with the word "DEBUG" in white. Below this, on the left, is a large orange logo consisting of a speech bubble with a pizza slice inside. The word "Registration" is centered below the logo in a bold black font. Underneath it, the text "Enter the fields below to get started" is centered in a smaller gray font. The form consists of three stacked input fields, each with a label to its left: "Name", "Email", and "Password". The "Name" and "Email" fields have placeholder text "Enter Your Name" and "Enter Your Email" respectively. The "Password" field has placeholder text "Enter Your Password" and a small eye icon to its right. Below the "Password" field, there is a checkbox with a checkmark and the text "Remember me", followed by the text "Forget Password?" in orange. A large orange rounded button with the text "Sign in" is centered below these elements. Below the button, the text "Or continue with" is centered, flanked by two horizontal lines. Underneath this text are three social media icons: a blue monkey head, a black Apple logo, and a blue Facebook logo. At the bottom, the text "Already have an account? Sign in" is centered, with "Sign in" in orange.
